We do our annual roll call after the playoffs, but if you already know you will not return next season, I'd appreciate you informing me now.

With that we will have some changes next season....

First, Salt City will be relocating to Baltimore and become the Baltimore Fire.

And we know New York will be seeking a new coach. We have one on board thanks to James Riley. James referred Trey Morris to KRFL and Trey will be taking over the New York team unless another team opens up. Trey also lives in Kentucky and will rename his team and become the Appalachian Wookiees.

Welcome Trey and Thank You James!
