

KRFL Free Agent Draft - Chris Thompson

MarkB, Monday 16 July 2018 - 21:20:25

WR - RET Chris Thompson of the Houston Texans appears in the league file as available in the draft, but he is not listed on the draft website. Therefore he is ineligible to be drafted.

Unfortunately there are THREE NFL players named Chris Thompson (and thrown in a Christian Thompson to make it worse). This particular Chris Thompson was erroneously deleted him from the draft website as I thought he was a duplicate of one of the other Chris Thompson's. He will be available to sign as a free agent at the conclusion of the free agent draft.
