

**Pre-Roster Cut Down League File Posted**

MarkB, Friday 26 April 2019 - 23:27:43

I've uploaded the Pre-Roster Cut Down League file to the League File section of the website.

I have NOT checked team rosters for accuracy (that is your job - see below). PLEASE REVIEW YOUR ROSTER and let me know IMMEDIATELY if any players are missing or any players who are on your roster that should not be. Please consult the Pre-Roster Cut-Down Salary Worksheet (dated 1-24-19) which can also be found in the League Files section of the website. On April 28th, your roster is frozen as is. So if I do not heard from you, I will assume your roster is correct.

Trading opens April 29th and is open until May 24th.

May 26th starts our annual Roster Cut-Down week.

The KRFL Rookie Draft will be June 10-14th followed by a short trading period and then the Free Agent draft begins July 1.

Any questions, let me know.
