

Revised Free Agent Draft Schedule

MarkB, Tuesday 21 May 2019 - 15:48:05

Unless there is immediate push back, here is the revised schedule:

Roster Cut Down week remains 5/26/19 - 6/1/19

Trial Rookie Draft remains 6/2/19, in the evening. Time TBD. More information will be sent out at a later date.

Rookie Draft remains 6/10/19-6/14/19

Now the changes: Free Agent Draft will begin 6/17/19 instead of 7/1/19

>Two rounds per day until the $0.500M salary rounds.

>Starting with the $0.500M salary rounds on 6/27/19 we will draft FOUR rounds per day. So four rounds per day for the $0.500M, $0.300M, and $0.100M salary rounds.

>We will be finished with all but the $0.100M rounds on 6/28/19.

>7/1/19 will start the $0.100M salary rounds. We will draft (four rounds per day but no drafting on 7/4/19) until the draft is complete.

If this will be a problem for you, please tell me in the next 48 hours or I will lock in this revised schedule.
