The Free Agent Draft is complete. Thanks everyone for a smooth draft!!!!!!

I've uploaded a league file and updated salary worksheet to the League Files section of the website. **PLEASE review both for accuracy. And tell me immediately if you find any errors.**

If I don't hear from you by July 18, I will assume both are correct.

I have not checked roster compliance, but will do so and alert any non-compliant teams. Roster requirements are in the league rules.

The trading period will open one week from today on July 11.

Free agent claims cannot be made until the week before the start of the regular season.

A reminder of the upcoming league schedule (the full calendar can be found on the league website).
