No Results received from:

Penn St @ SW Florida - I understood the game was being played tonight, but no game file was received.

Bensalem @ Black Hills - Game played this morning. Bensalem won, but no files sent by Black Hills who hosted.

I'll give PST @ SWF until 9pm Eastern tomorrow to play there game and report it. And Black Hills until 9pm tomorrow to send the game file. If not in by then I will sim the games.

Sorry to the rest of you.
